The Superior Foundation, Inc. was established in 2014 with a gift from the members of Superior Credit Union, Inc. The Superior Foundation is a not-for-profit private foundation established to support programs that benefit the communities served by Superior Credit Union. The mission of the Superior Foundation is to fund programs that are focused on creating financial stability for individuals and families in the communities we serve. This year, the Foundation donated \$250,000 toward First-Time Homebuyer Grant programs to help more than 125 families purchase their first home. We plan to continue this level of giving to our first-time homebuyers for years to come with the help of the Superior Foundation Golf Outing!
